BYD Automotive GmbH – Office Operations Specialist Frankfurt 03/2026 – Present

Manage office operations, executive support, and corporate administration while coordinating cross-functional projects, streamlining workflows, and aligning creative deliverables with business objectives. Partner with the finance team to translate Helios workflows for other departments, documenting what works, flagging what doesn't, and building shared knowledge so every team can operate independently. Leverage AI-assisted tools to accelerate documentation and briefing processes, while supporting company culture, team events, and international collaboration initiatives.

Monkeydrive Printing Factory – Media Designer Frankfurt 05/2024 – 12/2025

Designed a centralised work automation dashboard tracking print jobs across four departments (Gestaltung, Druckvorstufe, Druck, Finishing), with a Kanban pipeline, real-time order tracking, and Slack-integrated handoff protocols. Optimised print production workflows through colour separation, prepress, and pattern development, refining client files and delivering CTS-ready artwork. Trained designers in technical workflows and coordinated across design, production, and client teams to ensure efficient project execution.

Freelance Digital Designer Remote 11/2022 – 04/2024

Led visual design projects across branding, illustration, editorial, and digital experiences for organizations including Queer Squad, New Gen Chinese Film Festival, and ZhongDe Online Magazine. Developed cross-cultural campaigns and collaborated on UX and visual design solutions for e-commerce clients through eBakery.

MAGNOTHERM – Graphic Designer Frankfurt 08/2023 – 01/2024

Strengthened brand consistency by developing scalable design systems and templates across digital and physical touchpoints. Produced campaign assets, social media content, packaging, and trade fair materials that supported marketing initiatives and brand visibility. Collaborated across design and marketing teams to deliver integrated campaigns and streamline creative production processes.

platea Communications – Graphic Designer Frankfurt 11/2022 – 06/2023

Delivered print and digital brand assets that enhanced client visibility across events, marketing, and advertising channels. Established visual frameworks and templates to improve brand consistency and creative efficiency. Partnered with marketing teams to develop campaign content and support multi-channel communications initiatives.
